Financial Reports: Caitlin made a motion to approve the final June 2025 financial reports and the July 2025 reports. Margy seconded the motion. The motion passed unanimously.

SB542 mill levy decision Victoria made a motion to approve Resolution No. 2025-08-20.1 for the North Valley Public Library District of Stevensville, Montana to reaffirm that the library's voted mills shall be tied to dollar amounts per MCA 15-10-420 for the fiscal year 2026 as well as future fiscal years. Kate seconded the motion. The motion passed unanimously.

The board reviewed the permissive medical levy budget. Victoria made a motion to adopt Resolution 2025-08020.3 the approve and adopt a permissive medical levy for health care premium increases for .48 mills for a total generated revenue of \$14,553.00 to be sent to Ravalli County for inclusion in their budget process. Kate seconded the motion. The motion passed unanimously.

ONGOING & UNFINISHED BUSINESS

New building plans, discussion & decisions:

The board reviewed the floor plans & visuals from the Horlacher architect, Tammy Black.

The board were pleased with the cost-saving changes and floor plan. They were happy to read that Tammy said the colors and materials were not determined/finalized because the ones in the visuals were not the ones they would choose.

Comments to pass on to architect:

- 1. The library's multipurpose meeting room (Community Room) in the library's current building is 1,026SF. In both in MMWs rendering and Tammy Black's rendering the square footage of the community room was diminished. The board did not intend to decrease the size of the Community Room in a new building below the size of the current community room. Please decrease the Work/Staff area to increase the size of the multipurpose meeting room. (The comment was added by the Director after meeting when she noticed the SF was smaller than current community room and checked in with two board members to see if that was also their recollection.)
- 2. The Foundation needs a storage room with easy access to filing cabinets. The board would like to know where the architect envisions that storage would be located, because the Foundation needs access after-hours.
- 3. There should not be one large circulation desk. There should be two people at separate desks. Two desks of about 60"x30" would work.
- 4. Fire protection question. Will not having sprinklers impact insurance? Safety?

Current building upkeep: Nothing new to report.

Foundation: No news on a meeting between the Foundation and the Board. Denise will request picture from Carla of the library board with new member Kate.

NEW BUSINESS No new business.

BOARD/DIRECTORS ANNOUNCEMENTS & COMMENTS

Continuing Education

The board viewed prerecorded training *Meeting Rooms and the Library as Public Forum* presented by Kris Goss and the Montana State Library.

Kris Goss is the Director of Library Learning Hub at Helena College - University of Montana. Kris also serves as an attorney and currently works with the firm of Jackson, Murdo, & Grant, P.C. in Helena. Kris previously worked with the Montana School Boards Association and served as a law clerk in the chambers of the Honorable Sam E. Haddon in the United States District Court for the District of Montana. Prior to law school, Kris worked as the Governor's K-12 Education Policy Advisor and Deputy Communications Director in the administration of Governor Judy Martz. Kris earned a law degree from the University of Montana School of Law, a Master of Arts in Library and Information Studies from the University of Wisconsin, and a Bachelor of Arts from Carroll College. He serves as the Vice Chair of the Trust for Montana Libraries Board of Directors and serves on the Montana Library Association Intellectual Freedom and Government Affairs Committees.

Kris said patron behavior policies should ensure everyone has access to common areas without disruption Meeting rooms and display cases may not restrict based on viewpoint. Content restrictions are allowed such as restriction for commercial purposes, or to sell goods and services. Avoidance of controversy is not a basis to deny access. A policy can say, "Any damage resulting from use of meeting room will be invoiced to the reserving individual or group with payment due in 30 days." Policies can restrict on what the legislature has deemed obscenity in MCA 45-8-201.

Victoria had to leave at 5pm The training was complete at that point.

The board discussed the training briefly. Caitlin commented that she was against display cases. The board said they would review the Community Room and Bulletin board policies at the next meeting and asked Denise to put on the agenda.

PUBLIC COMMENT No public joined the meeting so there was no public comment.

ADJOURNMENT Meeting adjourned at 5:07.

Minutes by Denise Ard and Catilin Dunn

North Valley Public Library Resolution No. 2025-08-20.1

A RESOLUTION FOR THE NORTH VALLEY PUBLIC LIBRARY DISTRICT OF STEVENSVILLE, MONTANA TO REAFFIRM THAT THE LIBRARY'S VOTED MILLS SHALL BE TIED TO DOLLAR AMOUNTS PER MCA 15-10-420 FOR THE FISCAL YEAR 2026 AS WELL AS FUTURE FISCAL YEARS.

Whereas, the Montana Association of Counties recommends continuing to apply MCA 15-10-420 in this manner as the most stable and comprehensible option; now therefore, be it

Resolved, by the North Valley Public Library District Board of Trustees:

Clare Mesegen, Title: Sound Chair
