

Community Room & Makerspace Use Policy

Revised 9/17/2025

The North Valley Public Library's Community Room & Makerspace are designed primarily to meet the operational needs of the Library, the Library's Foundation, and Friends of the Library.

When not in use for Library activities, the room can be used for community events that are free and open to the public when reserved and utilized in accordance with this policy.

This policy establishes methods for individuals or groups to utilize room in a manner which honors the Library's mission to provide a safe, welcoming setting for the community, and promote literacy and lifelong learning. The access to and utilization of the meeting rooms shall comply with applicable laws, regulations, and policies related to patron and employee rights, public records, and Library operations.

To meet the Library's mission, own operational needs, and support equitable distribution of the rooms, the following requirements and regulations are in place.

GENERAL REQUIREMENTS:

- The rooms are available for **events** that are **free and open to any member of the public**. **No private parties, meetings, or events** are allowed.
- The rooms may be requested for use by **governmental bodies** providing instruction, information, and education to the community.
- **Local not-for-profit, civic, and cultural organizations** operated exclusively for educational or charitable purposes may request rooms to provide entertainment and information to the community.
- **Nonprofit associations** may request the rooms.
- **Other individuals or organizations providing culture, education, and entertainment may reserve the room if the presentation is non-commercial**. No form of direct or indirect solicitation is allowed during the program. This includes sales pitches, marketing language, distribution of promotional materials, or the collection of contact information for commercial purposes. Speakers, entertainers, and educators may leave business cards or brochures for participants to pick up by the door after the program should anyone be interested. In the event the speaker violates this policy, the library reserves the right to take appropriate action, which may include terminating the presentation and preventing future use of the rooms.

GENERAL REGULATIONS:

- **No admission fees, sale of goods or services, or other commercial enterprise may take place** in the rooms unless associated with charitable fundraising for the benefit of the Library.
- **Library staff are not involved** in the organization, management, or execution of the meeting or the event.
- The North Valley Public Library requires that all non-Library programs **clearly state on all their advertising materials that the event is not sponsored by the Library** and does not necessarily reflect the opinions and beliefs of the North Valley Public Library. Failure to do so may result in denial of future requests.
- **Storage** of goods, materials, or pamphlets by organizations on Library premises prior to or following an event held in the Community Room is not permitted.
- **No meeting may disrupt or conflict with normal library operations.**
- **Use of marijuana and tobacco or alternative nicotine delivery devices is not permitted.** Alcoholic beverages may be approved by the Board of Trustees in advance at their regularly scheduled board meeting if the organization reserving the room provides documentation of special event insurance policy coverage and compliance with all applicable alcoholic beverage distribution regulations, trainings, certifications, and licenses.
- **Organizations showing films or videotapes must secure all necessary performance licenses.** This includes all films and videos regardless of whether accessed by an online platform or physical media. *Proof of public performance rights to screen at a public library are required before reservations are approved.* The Library complies with the Children's Internet Protection Act (See the Computer Internet Use and Safety Policy) and uses internet filtering. Websites, images, videos may be blocked. Staff are unable to remove filtering. Outside organizations showing films or videotapes are expected to provide their own equipment and technical expertise.
- **Youth events and children to adult ratio:** If groups have members aged 10-18, one adult for up to 10 children must be present, and additional adults in a 1:10 ratio (i.e., 2 adults for up to 20 children, 3 for up to 30 children). Readers, presenters, or an adult otherwise delivering content during an event does not count toward the required

child to adult ratio so additional adults will be required to be present in addition to any presenters consistent with the required ratio.

Community events providing content for children must include the notice, "This is not a Library event. Parents/adult caregivers are encouraged to attend the event with their child for their safety. Children under the age of 10 may not be left unattended by their parents or caregivers according to the NVPL Child Safety Policy."

RESERVATIONS:

- **Reservations for non-Library events are open two months in advance.**
- Organizations **may not rebook until the reservation** is concluded or the last date of the series of reservations is concluded to allow library programs and other groups to have the rooms.
- **Reservations will appear on the library online calendar as "NON-library event"** followed by a colon and the title of the event.
- Reservations may be made by people **18 years of age or older**.
- Rooms are **limited to 2 evenings (5pm and after) per month** per organization, group or individual.
- **Reservations must be made in our online reservation system.** Once the form is submitted, designated staff review the request to make sure it does not conflict with upcoming library activities, previously scheduled groups, or this policy. Because the Community Room and the Makerspace are separated by a thin wall, and the Makerspace is the gateway to the restrooms and sinks, a request may be denied if one program would infringe upon the success of a program previously booked. Makerspace and Community Room may not both be booked by different organizations if the program will end after the library is closed. The Library will contact the person on the form to either approve the request or let them know the Library is unable to accommodate the request.
- **Reservations made less than 72 hours in advance may not be approved on time.** Please note the library is closed on Sundays, the 2nd and 4th Saturdays of the month, and on major holidays.
- The library allows reservations outside library hours. **The key must be picked up during open hours in the library.** Key pickup is usually no more than 24 hours prior to using the room; however, the key may be picked up more than 24 hours prior to using the room if the library is closed in the 24 hours preceding the meeting.

RESERVATIONS REQUIRING BOARD APPROVAL:

- **Nonprofit fundraisers and sales**, other than the North Valley Public Library fundraisers to benefit the library, are prohibited unless prior approval is granted by the Board of Trustees at their monthly meeting. If approved, the cost to reserve the rooms is \$50 for 4 hours including setup and clean up. A cleaning deposit of \$50 is also required and will be refunded if room is left in same condition as found. Rental includes both rooms.
- **Use by any entity serving alcoholic beverages as specified in this policy.**

The Library has a carpeted **Community Room** approximately 990 square feet, which will accommodate up to **67 people**. There are **41 chairs in the room and 8 tables**. Organizations are required to leave the setup as they found it.

The Library also has a **Makerspace room** with a cement floor, which has a **16-person occupation limit** with chairs and tables.
